

DIPLOMAT

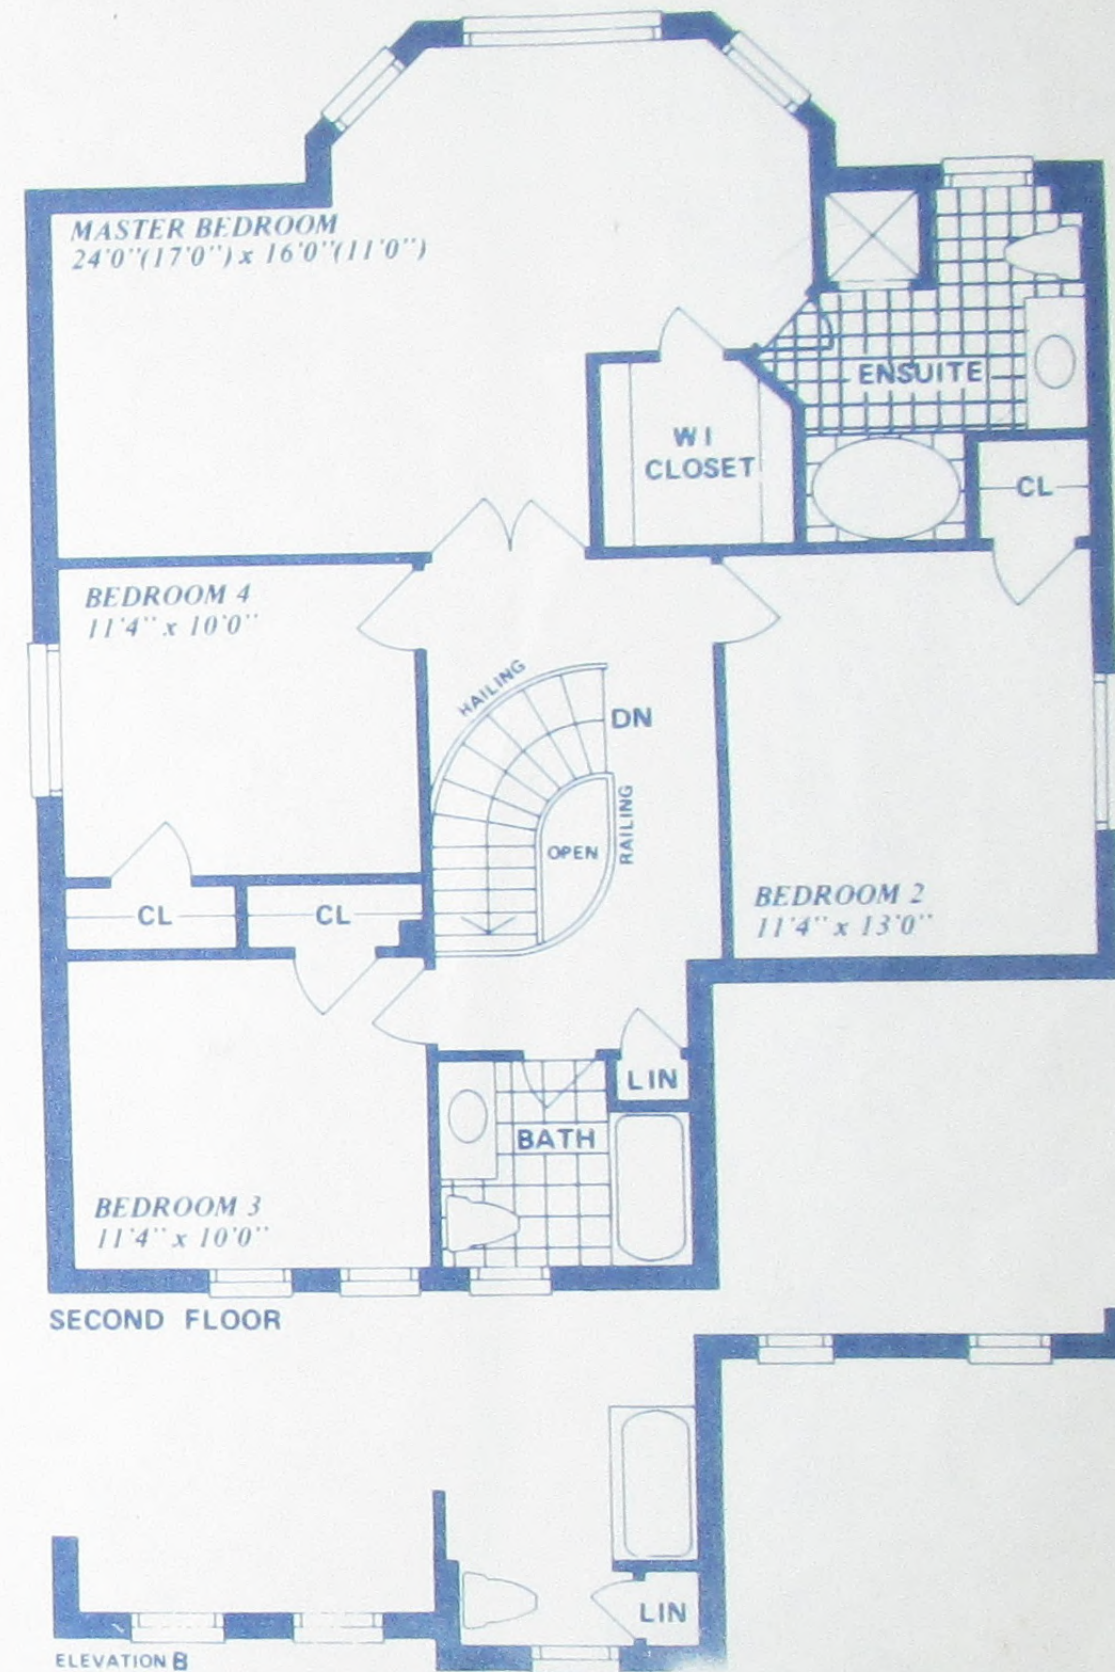

D42 2360 SQ.FT.

BASEMENT

FIRST FLOOR

SECOND FLOOR

ELEVATION B

Second floor dimensions on brochures are shown for all brick construction and will increase when siding is used. Standard elevation features brick front with siding on the remaining 3 sides at second storey, except Models D52 and D40 which are all brick.

Materials, specifications, and floor plans are subject to change without notice. All house renderings are artist's conceptions. All floor plans are approximate dimensions. E.&O.E.
