Made For Hosting

This stunner has an open concept main floor with a bright and beautiful living room, featuring a gas fireplace and an eat in kitchen. Just off the kitchen you will find a two-piece bathroom for your convenience.

Restful Retreats

On the second level we have three generous bedrooms, and a spacious five-piece family bathroom. Doing laundry is easy here, as the laundry room is located on the second level – close to all the bedrooms! Off one of the bedrooms, you'll find a spacious deck that overlooks the city. On a clear day you can see all the way to Toronto!

Endless Potential

The single car garage is currently used as a gym but can easily be converted back. With double doors leading to the backyard, this garage is a versatile space. Step out back to a large newly fenced yard with an impressive inground pool and a spectacular covered deck - perfect for hosting or dining el fresco.

The Escarpment's Edge

Just a close walk to shops, schools, Juravinski Hospital, the Wentworth stairs, walking trails or walk along the Brow. This is a rare opportunity to have an incredible backyard pool oasis and the most incredible city views out front.
