Comfort & Connection

The spacious kitchen features abundant counter space and overlooks the welcoming family room warmed by an Elmira wood stove, ideal for gatherings year-round. Step outside to enjoy two separate decks, one off the family room and another off the kitchen, perfect for entertaining or relaxing in nature.

Private Primary Perfection

The upper-level primary retreat offers a generous walk-in closet; large enough to double as a nursery or home office and a beautifully renovated ensuite with dual vanities and a glass-enclosed shower.

Cozy Lower Retreat

The finished walk-out lower level adds exceptional living space with two well-sized bedrooms, an updated three-piece bath and a comfortable rec room with its own gas fireplace.

Peaceful Country Living

Outdoors, you'll find a detached single-car garage, a charming chicken coop and a powered shed with 100-amp service — originally planned as a home office. A concrete pad is ready for your future hot tub, while walking trails right at your doorstep complete this serene and private country lifestyle.
