A Private Retreat in Greenville

Backing onto peaceful forest and set on an incredible oversized lot, this fully updated four-bedroom side-split offers the perfect balance of nature, style and community. Thoughtfully renovated from top to bottom, this home showcases beautiful design, quality finishes and a warm, inviting atmosphere.

Inside, the second level brings together warm living spaces and a standout kitchen with thoughtful finishes throughout.

Gather & Unwind

The main level offers a comfortable extension of the home with a spacious family room, cozy fireplace and wet bar. A convenient full bathroom completes this inviting space for relaxing or hosting.

Space To Relax

Upstairs, bright and comfortable bedrooms provide a peaceful place to begin and end each day. A beautifully refreshed bathroom adds a clean, timeless finish to the level.

Bonus Space Below

The finished lower level adds even more flexibility with room for games, hobbies or a dedicated home office. It is a versatile space ready to change along with your needs.

Perfectly located just a short walk to Webster's Falls, Spencer Gorge Conservation Area, and some of the area's most beautiful hiking trails, you'll enjoy the tranquility of country living while remaining part of the charming Greenville community.

Room To Roam

Step outside and discover a backyard unlike any other. Surrounded by mature trees and backing onto forest, you'll find a private sauna, a hot tub, a custom campfire pit and a separate heated shed that's perfect for a workshop, studio, gym or hobby space.

Whether you're entertaining friends or enjoying a quiet evening under the stars, this backyard was designed to be experienced.
