Thoughtfully Renovated in Greenville

Thoughtfully renovated with three-plus-one bedrooms and two bathrooms, this lovely bungalow in Greenville is ready to welcome you home. The main level offers a bright, inviting kitchen renovated in 2022, positioned next to a spacious living room where a custom built-in entertainment wall adds character and even holds a hidden surprise. With a comfortable layout and plenty of natural light, this is a home designed for both everyday living and relaxed entertaining.

Rest & Recharge

Three sizeable bedrooms are found on the main level, each offering generous closet space and peaceful views overlooking the rear and side yards. With plenty of room for family, guests or a home office, these bedrooms provide flexibility and comfortability.

More to Discover

A spacious full bathroom completes the main level, offering convenience for the three bedrooms and the rest of the home. From here, head downstairs through a private separate entrance, where an entirely self-contained living space awaits.

Ultimate Flex Space

The finished lower level offers an impressive in-law suite with its own full kitchen, three-piece bathroom, bedroom and large living space. Recent updates include the basement renovation, basement windows and 200-amp electrical panel in 2020, along with a coffee nook and basement fridge added in 2026.

Outdoor Escape

Outside, a gazebo and firepit create inviting spots to gather, while convenient access to scenic walking trails makes it easy to enjoy the surrounding area. The 12' x 20' shop on a concrete slab, added in 2019, provides excellent additional storage and room for vehicle storage.

Updates throughout the home include the septic bed (2014), furnace and A/C (2021), kitchen (2022), and hot water heater (2025).
